

Improving Value Through Alliances, BIM & Collaborative Contracts (integrating procurement, digital technology and the law)

THURSDAY 1st MARCH 2018 from 9.00 am.

The Great Hall, King's Building, Strand Campus

This conference provides a unique opportunity to evaluate how construction procurement can deliver better value through the use of alliances, BIM and collaborative contracts. We bring together leading practitioners and thinkers from the UK and from around the world to assess the latest developments and to present case studies explaining how their models work, how they fit with legal requirements and what they can deliver. Our speakers include:

Procuring for Value and the UK Construction Sector Deal

Ann Bentley, Lead on Supply Chain and Business Models, Construction Leadership Council

BIM and UK Housing after the Grenfell Tower disaster

Terry Stocks, Digital Built Britain, BIM Level 2 Group Delivery Director

Improving Value Through Strategic Procurement: the FAC-1 Framework Alliance Contract

Antony Silk, Optivo Housing Association and Neil Thody, Cameron Consulting

Contractor Leadership and Whole-Life Collaboration: Supply Chain Alliance case study

Nigel Owers, Kier Services Highways and Jason Russell, Surrey County Council

Assessing the NEC4 options: the NEC Alliance Contract and NEC cost reimbursement

Assad Maqbool, Trowers & Hamlins and Ronan Champion, Champion Pearce
